Mr. Oscar F. Peters

November 11, 1927-March 16, 1991

Dedication

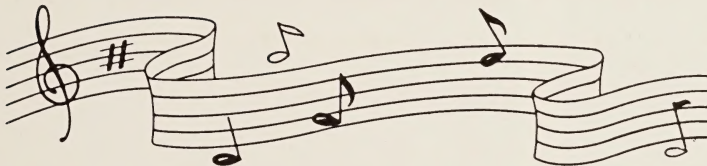

The 1992 Blue Devil yearbook is dedicated in loving memory of Mr. Oscar F. Peters.

Mr. Peters was strongly devoted to his position in the educational world. He started his teaching career in January, 1959. In July 1989, Mr. Peters retired from the position of principal of Gate City High School. He was a loving and caring educator.

Mr. Peters was a friend to everyone. He had a talent for making each individual happy in one way or another. Students saw Mr. Peters as more than just their principal, they also saw him as their friend.

Many people remember Mr. Peters for the song, "Good Ole Mountain Dew," which he often sang over the intercom and at pep rallies.

Mr. Oscar Peters will always be alive in the hearts of all who knew him because he touched each person he encountered in a special way.

"GOOD OLE MOUNTAIN DEW"

Down the road here from me there's an old hollow tree
Where you can lay down a dollar or two
You go around the bend, you come back again with a jug full of
good ole mountain dew.
Oh, they call it that good ole mountain dew
Them that refuse it are few
If you'll shut up your mug
I will give you a jug of that good ole mountain dew.
The preacher rode by with his head held high
Said his wife had come down with the flu
He went around the bend, came back again with a jug full of good
ole mountain dew.
Oh, they call it that good ole mountain dew
Them that refuse are few
If you'll shut up your mug
I will give you a jug of that good ole mountain dew.

Homecoming '91

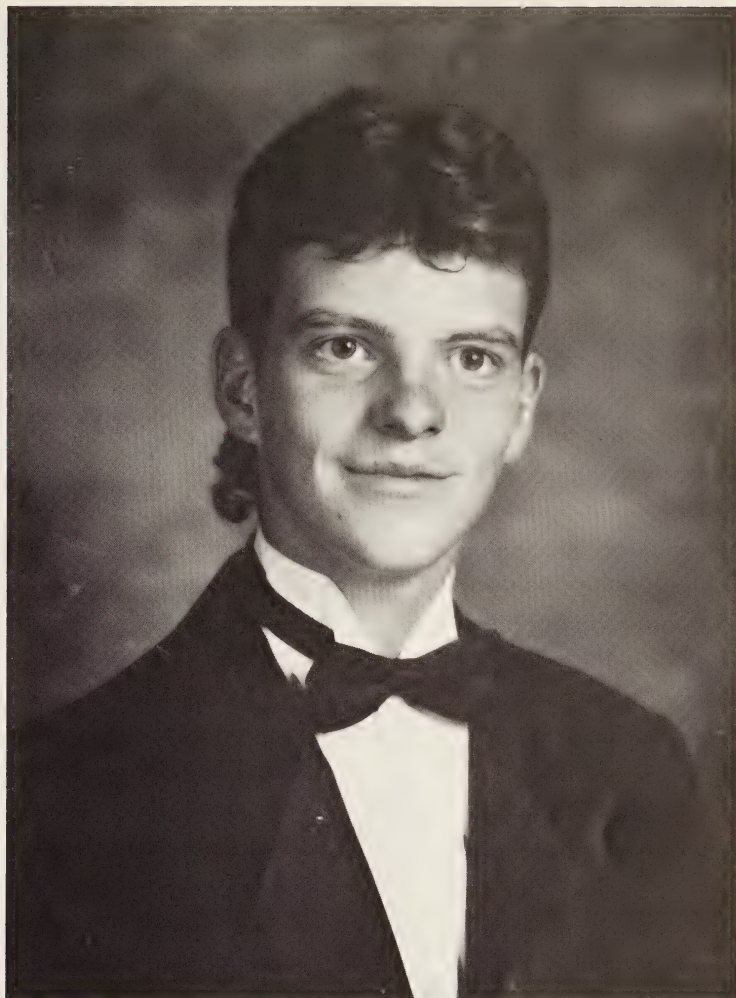

I went to Heaven

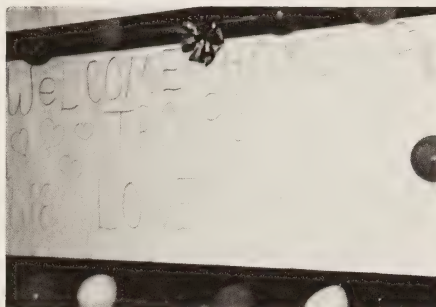

I went to heaven, —
'Twas a small town,
Lit with a ruby,
Lathed with down.
Stillier than the fields
At the full dew,
Beautiful as pictures
No man drew.
People like the moth,
Of mecllin frames,
Duties of gossamer,
And eider names.
Almost contented
I could be
'Mong such unique
Society.

the Challenge

From the atom to the sun ... the universe pulsates with energy in many forms.

The challenge is to find ways ... new ways ... to utilize the earth's vast storehouse of fuels in providing the energy needed for this nation to continue to be great.

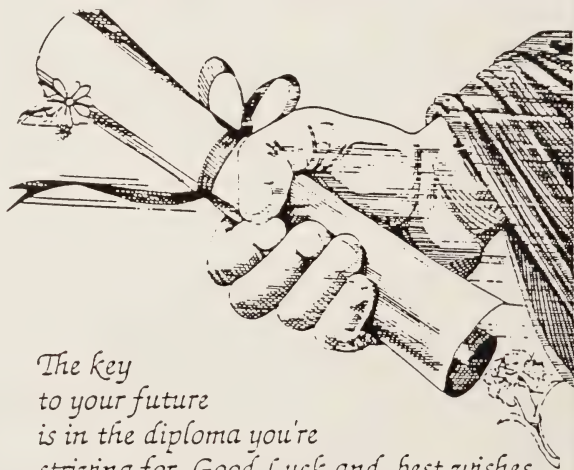

The means — innovative technologies, exotic engineering, dynamic architecture — existing

advances that must come if man is to tap Nature's store for the energies he needs.

From the smallest part of the universe to the largest ... that's the scope of the energy field today. The opportunity for personal achievement is infinite, the challenge, one that must be met.

Kelly,
This has been a terrific year for the yearbook staff. It is hard to express how positively I feel about you and the staff this year. This has been one of the best years I have had the privilege of working with such an exceptional yearbook staff. You have done a marvelous job as editor, meeting your deadlines, and keeping everything up to date. I will miss you next year. I know that it will give you a great deal of satisfaction to see your book this year and to look back on it over the years. Good luck to you in the future. You are very deserving young lady.

Sincerely,
Nancy K. Ward

As my staff and I finish up the last few pages of this book, I feel relieved of a lot of pressure, but I am also sad. I will miss the last minute rush to meet deadlines and all the great moments that my seventh period staff and I have seen. I want to thank each member of the annual staff for all their effort to get the 1992 *Blue Devil* yearbook done.

For the Senior Class this is the final weeks of our high school life. Many can't wait to walk across the stage, yet they are sad to be leaving high school, "The Best Years Of Our Lives." As each of us receive our diplomas, we end our loved high school lives, and enter the adult world. To the Seniors of Gate City High School, I wish you the best of luck in all your endeavors and pray that God will bless each of you.

To the underclassmen, I hope that your remaining time at GCHS is well-spent. Enjoy your senior year, because in many ways it is the best.

To the administration, faculty, and staff, I owe each of you a special thanks for letting the yearbook staff cause so many interruptions. Also thanks for all the help that you have given us.

To Mrs. Nancy K. Ward, I thank you for fulfilling one of my childhood dreams by making me the editor of the 1992 *Blue Devil*, I appreciate all your humor, support, and understanding to help me through. I owe you my sincere gratitude and special thanks for our friendship. I will cherish it always.

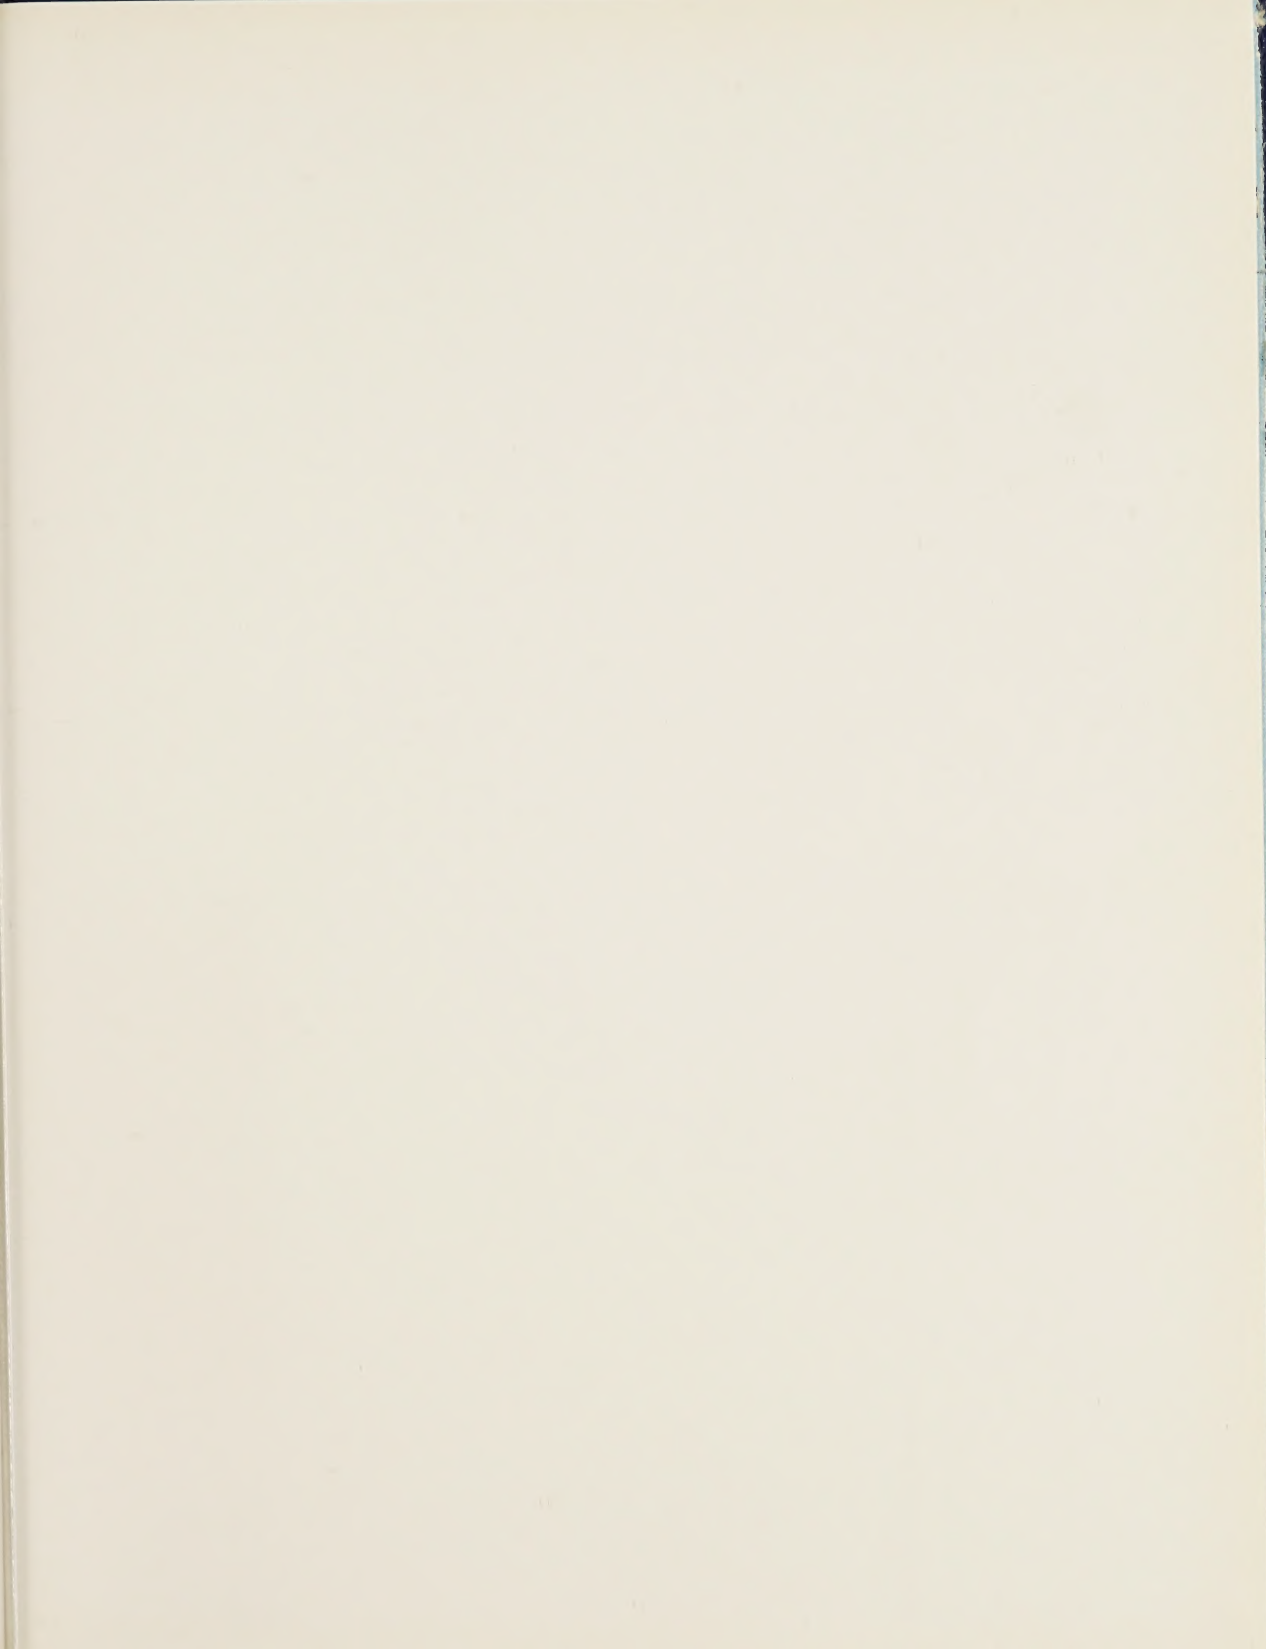

Sincerely,

Kelly
